# NAVIATOR GROUP

Built in order to the very highest standard by the special projects division at Windy, SR52 represents one of the most technically advanced boats in its class. This particular SR52 is the ex demo boat used at the Cannes and Monaco yacht shows in 2015, before being delivered to its current owner. BLACKBIRD has been equipped in a very high level of option since new and is presented in perfect condition. Pre season engine service and regular maintenance works are done annually.

Combining the exceptional design flair of Dubois with the superb build-quality, production capability and performance of the Windy brand. Sporting triple IPS 600 Volvo Penta diesel engines, the SR 52 is boast a top speed of 46 knots, and cruising speed of 40 knots. It also deliver effortless manoeuvrability and stability at low speeds, thanks for Volvo's joystick control.

With a 4.5m beam, the cockpit offers generous seating including three separate racing chairs at the helm and three standing sports chairs with bimini shade. The open, walk-around teak deck also features a raised foredeck, and additional seating, sun lounger and hydraulic bathing ladder aft – perfect for swimming or picnicking at anchorage. A head with shower is located below decks, along with a double berth or lounge area.
